Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

The Bible has been largely discredited in the popular mind by the teaching in some of the pulpits and in some of the seminaries. Some of the men who have been set for the instruction of the people in the Word of God, and for the proclamation of the Gospel of salvation, seem to have entirely lost sight of and forgotten their real mission. They have presented nothing that is really new--nothing that was not presented as vigorously a century or even centuries ago in the name of infidelity--but through their connections with the press they have been able to spread their views very widely, and to create an atmosphere of doubt that has led great numbers to conclude that the old foundations had been entirely removed, and so we have had the humiliating--two, from another point of view, exceedingly cheering--spectacle of the secular papers defending religion against the leading pulpits and the voluble professors! With such a state of things it would be folly for us to expect any great religious awakening and uplift; for in all such awakenings God honors His Word, and insists upon man's honoring it as the principal instrument, the Sword of the Spirit. In playing with the Bible as curious literature men have forgotten that it is the word of life. It is well to remember, however, that the same state of things existed before the great awakening under the Wesleys and...
