

The Little Book of Living Green (Paperback)

By Mark Hegarty

Andrews McMeel Publishing, United States, 2008. Paperback. Book Condition: New. 94 x 81 mm. Language: English . Brand New Book. Mark Hegarty offers more than 150 insights on how you can go green within the comfort of your own home. Witty and concise, Hegarty offers practical tips like donating your gently used items to charity or using baking soda and vinegar instead of harsh chemical-based solvents that are toxic to the environment. The book teaches rather than preaches by including humorous asides and line-drawn cartoons also sketched by Hegarty. The book is printed on recycled paper with sustainable soy ink.

Reviews

This is the finest book i have got study till now. It usually does not price a lot of. I found out this publication from my i and dad encouraged this book to understand.

-- **Jamil Collins**

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
