Excerpt: . of the past history, present condition, and future prospects of the Golden Land. It contains, in a condensed form, all the information, collected from a great variety of authorities, which has as yet reached this country. The desire to avail ourselves of the latest intelligence, while it has rendered the narrative somewhat irregular and unmethodical, has at the same time enhanced its practical value, both to those who may think of emigrating, and also to those who may desire to know the history and capabilities of this singular country A more, extraordinary narrative can scarcely be imagined, than that which it has been our duty, as sober chroniclers of facts, to relate, and vast as have been the immediate consequences of the discovery of the gold placers in the valleys of the Sacramento and San Joaquin--they are but trivial to the political and...
