

## The Other Special Relationship: The United States and Australia at the Start of the 21st Century (Paperback)

---

By Director for European Studies Jeffrey D McCausland, Dr Douglas Stuart, Professor Reader in International Relations at the University of Queensland and Senior Research Fell

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This volume summarizes the major findings of the conference participants over the last year. Beyond the thematic resemblance between this volume and the previous study of U.S.-UK relations, another similarity is the importance of two events in determining London and Canberra s relations with Washington. The terrorist attacks of September 11, 2001 (9/11) represent the first turning point. The British and Australian governments reacted similarly to these attacks- immediately identifying 9/11 as a transformative moment in international relations. But the Australian Prime Minister s presence in Washington, DC, during the 9/11 terrorist attacks intensified the personal impact of the events, and within a few days his government had invoked the ANZUS Treaty to offer its full support to the United States. The second big event dominating both U.S.-UK relations and U.S.-Australia relations has been America s management of the Global War on Terror and, in particular, its leadership of the ongoing operations in Afghanistan and Iraq.
