Brand New Book ***** Print on Demand *****.A visit from a guardian angel changed my life and gave me the passion to help others by giving them faith and hope. This is a true story of my life centered on compassion and always seeking the way to heal the wounded world. The world has been wounded by our own words, deeds, and misunderstandings. I wrote down as many things I could to keep the mind healthy. It took my life s research and faith to help the world and us, coincide with God. This book has a picture of the angel s face that visited me. It also, has diagrams explaining the trinity of God and how we are connected to the trinity. It will help you understand the Holy Spirit. I explain why there is evil in the world and some of the main confusions of the Bible. This book was written to preserve the living and to help with relationships. It is also, my view of a utopian society of what I learned from God through Jesus. The angel visitation was my sign to keep me going. I wanted to share my thoughts in order to keep from being too elated and let others find life so they too can share who they are as a Christian or anyone else who wants to learn how to treat others good and be treated good. Maturity Rating of Teen or Over. Nonfiction.
