Deception, betrayal, rumors, and revenge all combine for a rollercoaster ride of high school intrigue. During one fateful week in 1970, best friends Marsha Murison and Amy Bradley find themselves victims of a deception skillfully organized by three senior football players. Set to the backdrop of popular rock-and-roll lyrics heard during that era, the two 14-year-old girls - gifted with similar physical traits - test the limits of their loyalty to one another, all the while learning to appreciate how Alice, a special friend, has universal significance and special power for all women.
