Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Soap Making for Beginners: Step by Step Guide to making natural homemade soaps that will refresh, revitalize, and rejuvenate your skin Where do I begin and why should I begin making my own natural soap? I m betting that, like me, what is most important to you is ensuring a healthy lifestyle for you and your family. That s what drew me to soap making - the knowledge that I would be able to produce a natural, more environmentally sound soap for me and my family. It gave me peace of mind to know I would be able to control exactly what goes into my soap and how much fragrance it does or doesn t have and knowing I d be able to control the costs. Now, I can make spa-quality soaps in my own kitchen for a fraction of what those boutiques at the mall charge (and you don t need an advanced biochemistry degree to read the ingredients list of my bar). Plus, I wound up having lot of fun! BIG OVERALL BENEFIT - Frankly, one...
