John F. Blair, Publisher. Hardcover. Book Condition: New. Hardcover. 96 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. From the cavemen to the hipsters of today, beards have been the hallmark of brave and manly men. For some reason, the popularity of beards skyrocketed during the late 19th century, when men became more willing to experiment with never-before-seen facial hair styles. Abraham Lincoln even grew his beard because a little girl wrote him and said he'd look more presidential with one. A little over two years ago, sisters Anna and Julia Hider were discussing why all Civil War soldiers seemed to sport crazy beards. Their conversation quickly became the Tumblr blog Badass Civil War Beards which they cowrote between classes at two separate universities. The concept touched a funny bone, and Badass Civil War Beards, the book, was born. It features over 100 of the Civil Wars most stupidly awesome (and awesomely stupid) examples of facial hair, accompanied by short analyses, historical tidbits, poems, and puns about each person and his bearded glory. Who knew history could be so much fun This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
