Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Stories of the street. The poems in Steve Meagher s first book, Navy Blue, walk the middle ground between sorrow and salvation, tackling themes of devotion, regret, innocence lost and mortality through an array of dark landscapes and narratives of the dispossessed. Written in sharp and urgent language with undercurrents of raw emotion, this book marks the arrival of a brave and original new voice in Canadian poetry.
