Not illustrated. 1911 Excerpt: . . . in a moment the score of a composer who has founded his methods exclusively upon Berlioz. He taught most modern composers what they did not know before, or only knew intuitively and without method; but the composer ought to choose his own lines of taste, while never neglecting to use any information he can get from him. Wagner undoubtedly sucked his brains, but it would be absurd to say that his orchestration was in any way a reflection of the Frenchmans. As a text-book it has the small defects of its great qualities. It is almost too picturesque; and the sparks of descriptive genius which light up almost every page are apt to blind the young reader to the essentially solid facts which constitute the main strength of the book. The analytical mastery of Gevaerts and Widors treatises, and the concentrated essence of Prouts, may be...
