Brand New Book ***** Print on Demand *****.Excerpt from The World and Its People, Vol. 12: Porto Rico: The Land of the Rich Port Supplementary readers in all the varied lines of instruction are acknowledged to be an important part of the school equipment. Through them the pupil's reading is made to prepare him for his studies and to contribute directly to their enhanced value and interest. The text-book in geography can give little more than the essential outline; it cannot go into the details of the everyday life of the inhabitants of Cuba or of New Zealand - such details as make people and places real. The school history can give scant space to the physical aspect of a country, to the surroundings that influence a nation's development, yet without such knowledge the study lacks its true basis. In one way or another one constantly finds need of knowing the world and its people. Under this title of The World and its People the publishers are offering a series of readers intended particularly to supplement the geography, and, in general, to...
