Ecco. Paperback. Book Condition: New. Paperback. 176 pages. For more than forty years, distinguished author Roger Rosenblatt has also been a teacher of writing, guiding students with the same intelligence and generosity he brings to the page, answering the difficult questions about what makes a story good, an essay shapely, a novel successful, and the most profound and essential question of them all why write Unless It Moves the Human Heart details one semester in Rosenblatts Writing Everything class. In a series of funny, intimate conversations, a diverse group of students from Inur, a young woman whose family is from Pakistan, to Sven, an exfighter pilot grapples with the questions and subjects most important to narrative craft. Delving into their varied lives, Rosenblatt brings readers closer to them, emotionally investing us in their failures and triumphs.
