I wet my pants! A must read! - Jo Greene This book is all about me and my experience of getting onto a Graduate scheme for a global financial company. It takes a very light hearted look at my journey. It should help you. I say should. It might not. Who knows? It s worth a read though because it will probably make you laugh. Although that is not a guarantee. Thanks to the economy and lack of jobs being created, most high flying graduates aim for a decent graduate scheme. It s a good plan to have really. Graduate schemes, when done right, should give you the training and a solid basis on which to build a long and successful career. The hard part is getting yourself onto one especially when every other graduate you know is pulling out all the stops to impress. Read this book and you might gain some insider knowledge from someone who had to go through all the assessments, the interviews the security checks to make it! It might be a valuable aid for anyone contemplating a graduate scheme although I must point out again that this book takes more of a light hearted look at the graduate selection process. Still, it might come in handy for a little bit more. Don t be shocked by the swearing in this book. There are no proper C-bombs dropped so forget sending me complaint letters or giving me crap reviews (I WILL find you). Having a good swear vocabulary will help you in the world of work, when you are surrounded by grown ups despairing at their...
