Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

BAGS OF AMERICAN FOLK FOR VIOLIN (PAPERBACK)

Faber Music Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 296 x 218 mm. Language: English . Brand New Book. The latest in the popular Bags of series by reknowned string pedagogue Mary Cohen, Bags of American Folk is an introduction to the wonderful world of traditional music - favourite tunes passed down from one generation to the next, many from the early pioneer days. This collection, available for violin, viola and cello, has been carefully selected to include music of many different styles and moods, and it is great to play without needing any accompaniment, although players might like to form a band with friends.
