Darren and Tracey planned to study the water conservation techniques of the Anasazi and to learn the reason for that culture s mysterious and abrupt disappearance. Archaeo-astronomer Jane Bowen wanted to prove the Chaco pueblos concealed an enigmatic alignment with the Gate of God-located at the crossing of the Milky Way and the pathway of the planets, the ecliptic. Another traveler, Aaron Eaglecloud, a Hopi shaman, longed to discover the roots of his Native American mythology. Waiting anxiously at home for the return of his parents, Dwy and family friend, Skeeter, worry that the travelers are marooned and face starvation or even death from the marauding enemies of the Chaco natives. Perhaps not even their faith can return them safely home.
