Brand New Book ***** Print on Demand *****.In a land of castles and palaces among the rolling hills, the esteemed Valley of Tors, a special gift has been given to a select group of some of the greatest minds the world has ever seen. Their gift is the ability to travel in time and gain the knowledge of past and future ages by way of creating alternate realities and versions of themselves. In an upper room they gather to discuss their travels as they seek to perfect the mind and live in youthfulness. But when fellow members are killed in their travels they must question what becomes of the departed. As things start to go terribly wrong they must question why they have been given such a gift. They must question what time is and the nature and character of man. They will discover their answers as they journey through time. They will discover as they travel to the Old Island and pass beyond the Tears of the Damned. They will travel over the distant fields; beyond the high mountains to the land of Kleros where they shall confront the secrets of time and discover the mysteries of truth. Eusebius is packed with depth and meaning. Its captivating style paints a rich and moving picture that will take you on your own unforgettable journey. It is a story of friendship and betrayal; of love transcending the ages. It is the story of the lords of time.
