A mysterious pinball machine arrives at the mansion of an aging porn king. He finds that this gift has itself a gift to give. Accepting both may be his last mistake. In rural Alabama, Crystal Caverns, an old roadside attraction, gives new meaning to being billed as a family experience. A Central Pacific Railroad executive sets out to San Francisco through newly finished Tunnel Number Six, where an entombing, catastrophic avalanche is just the start of his nightmare. Timmy Wayne, a magnet for good fortune, is living large on a stream of Las Vegas winnings, but it looks like his luck has finally run out. One couple tests the limits of what they'll do to care for their pet dog. Someone is desecrating the graves of World War II veterans as they die, veterans who discovered something unholy outside the gates of Dachau. These and seven other tales document Russell's descent Deeper into Darkness.
