Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Church Teachings for the Sunday School It has been the effort of the compiler of this book to condense in a limited number of lessons, a history of the Church, its doctrines and ordinances. The First Part contains a brief history of the birth, ministry, death, resurrection and ascension of our Saviour, and the descent of the Holy Ghost, together with an explanation of the principal Festivals and Fasts of the Church. This part of the work is intended to be used from the first Sunday in Advent to Trinity Sunday. Each lesson of the First Part consists of a passage from the Bible, appropriate to the Church season, accompanied by explanatory notes from the works of some of our most eminent authors. The Second Part, to be used from Trinity to Advent, contains the history of the progress of the Church from the creation of man to the present time, with brief sketches of the lives of many of the most prominent personages of the Old and New Testaments. Throughout, the events are arranged in strict chronological order, according to the best harmonists. The plan of questions and answers has been avoided, and each lesson is arranged in the form of a simple narrative, which the children can readily understand.
