FOCUS ON TEXT: TACKLING THE COMMON CORE READING STANDARDS, GRADES 4-8 (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Book Condition: New. 256 x 182 mm. Language: English . Brand New Book. As schools shift to the Common Core, many English language arts teachers are left with questions about how their classrooms should look. Is fiction out? Can I still do strategy instruction? Does close reading mean deliberating on each word? Finally, there s a resource with all of these answers and more. In Focus on Text, bestselling author Amy Benjamin provides practical guidance on how to realistically implement the Common Core reading standards. Part I of the book examines misconceptions about the standards and what s really required. It also takes you inside classrooms to see how teachers are modifying their instruction. Part II tackles each reading standard for grades 4-8. You ll learn how to teach the standards with literary and informational texts and how to use them as a springboard for instruction in writing, language, speaking, and listening. Topics include: * Defining close reading and how is it different from word-by-word reading. When and how do students need to go over a text meticulously? * How to use scaffolding through background knowledge to help students with challenging texts * The best instructional practices to help students increase their range of reading and level of text complexity * Ideas for teaching key concepts such as text structure, point of view, theme, stated and implied meanings, and the progression of ideas and characters * Tweaking your assessments to better align with the Common Core--how to create reading check quizzes, unit tests, and cold reading tests to see if students are growing as readers. * And much, much more! Throughout the book, you ll find teaching tips and practical resources to use with students, such as question starters and sentence stems. You ll...
