He was then right in dividing the office in order that it might be completely filled. We must not be expected to follow Lagrange step by step, in the learned researches with which he has filled the Memoirs of Berlin, after his arrival in that city, on the 6th November, 1766, and even some volumes of the Academy of Turin, that owed to him, in all respects, its existence. But we cannot omit pointing out, at least in a few words, the most remarkable which they contain. He wrote the following Memoirs in the Transactions of the Berlin Academy: --1. A great...
